

## **What is Good Assessment?**

By Don Sutherland

On February 21, 2018, Lehman College's Office of Institutional Research, Planning, and Assessment held its first workshop on this topic. The workshop covered a wide range of assessment-related issues including direct/indirect evidence, the Middle States Commission on Higher Education's expectations, and the potential value assessment can bring in reducing the strategy-performance gap.

The slides from the workshop can be found at: <http://www.lehman.edu/institutional-research/past-workshops.php>
