

A Visit to MOMA

By Don Sutherland

Following the Christmas holiday, I visited the Museum of Modern Art (MOMA). MOMA was established in 1929 with the goal of helping people understand and enjoy visual arts. Its current mission is:

The Museum of Modern Art connects people from around the world to the art of our time. We aspire to be a catalyst for experimentation, learning, and creativity, a gathering place for all, and a home for artists and their ideas.

Eight photos from my visit follow:
